https://github.com/ggiscool

A pragmatic web developer and problem solver leaving no loose-end untied through careful attention to detail. I believe that the importance of teamwork and effective communication are cornerstones of productivity and success. I love learning new skills, applying them, and teaching them to others. I strive for optimization and continuous improvement.

## Skills:

HTML, CSS, Javascript, JQuery, Express, Node, Angular, Ruby, Rails, SQL, Postgres, Bootstrap, problem-solving, management

## Employment History

**Client Services Representative/Supervisor-in-Training**          12/2016 – 10/2017
